Re: 2018 Conference Questionnaires Now May Be Answered Online at
AREA05AA.ORG/GSC/

- Much gratitude for the hard work of our Area Webmaster, Ryeland G, for making
this possible

Dear AA Friends and Trusted Servants:

The 2018 Conference Questionnaires now may be answered online at **Area05AA.ORG**.

Please pass this on! *This is important information that I ask DCMs and DCMCs to please
transmit to all district GSRs -- and for all GSRs to announce to their AA Group
members -- consistently -- every week for the next four weeks* leading up to my departure
for the Annual Conference Meeting in New York on April 22-29, 2018.

*I am reaching out to each of you because I really need your help. I can't do this without
your active involvement and participation.*

*As your trusted servant and Delegate, I need your help in obtaining informed feedback
from our Area's A.A. Groups and individual members on the 12 questionnaire agenda
item topics that are attached.*

How to Respond Online: GSRs on behalf of their groups and individual A.A.
Members may respond to the online questionnaire by going to **Area05AA.ORG** and clicking
on "**2018 General Service Conference Information**".

From there, individual members can download the complete Questionnaire background for review (*highly recommended*) before answering online by following the instruction to **"Click [here](#) to complete and submit GSC questionnaire online"**.

I also ask that every DCM/DCMC and GSR go online to [Area05AA.ORG](#).

Please become familiar with how to get to the online Questionnaire link so that you can explain it to your GSRs and AA Group members.

How to communicate Questionnaire Responses?

- (1) Please return the questionnaires and responses (on a separate sheet of paper) to your Delegate at the Pre-Conference Assembly Workshop, April 7 & 8; or
- (2) Scan and e-mail responses to delegate@aascaa.org; or
- (3) Mail to Thomas B c/o SCAA PO Box 481193 Los Angeles, CA 90048; or
- (4) Respond online as set forth above at [AREA05AA.ORG](#). These are automatically e-mailed to me, and I will review them through April 16, 2018.

If you have any questions or would like additional background on any topic please feel free to contact me.

In this work we are all partners in a common effort. Thank you for honoring my request, and for your tremendous service, dedication and commitment.

Love & Service,

Thomas Bishop
